RECITAL

- Please do not arrive too far in advance or be Late! It is unfair to student's classmates to arrive late since this causes anxiety that someone in their class is missing.
- Please arrive with hair and make-up done, and your FULL costume with proper dance shoes . Dancers will check in and go directly backstage to their assigned dressing room at their appropriate check in time. Please pick up your dancer at the intermission or end of show and not before. They will be supervised. We do not want people coming in and out during the show. Please change your dancer into their finale shirt during intermission if they have finished dancing.
- The auditorium will open 30 minutes prior to show times. All Seats are open seating. We anticipate a full house so please leave children (too young to sit quietly and stay in their seat) with a family member or baby sitter. Please do not allow children to run around during the show. Please fill in every seat from the center working out. Please do not leave open seats anywhere so everyone can find a seat. The balcony will be available for additional seating, no children in the balcony please.
- During the show Please stay seated and only exit and enter at intermission.
- Please do not sit on the floor in front of the stage or allow your children to do so. This is distracting to the dancers.
- **No video taping is permitted from your seat at the show. ALL video taping must be done from the balcony, sides or rear of the auditorium. A DVD is for sale of the 20th year Anniversary recital.**

Performance Preparation

- Please label EVERYTHING including tights, headpieces, gloves, ribbons, -EVERYTHING! Because costumes are ordered we do not have extra pieces and in order to participate you must have all your costume pieces.
- Practice your performance routine with your dancer..
- Double check to make sure you have correct performance shoes, clean and polished for stage. Make sure tights are new and clean (if applicable).
- No nail polish, jewelry or underwear showing. If you are wearing a leotard it is like a swimsuit, no underwear!

Performance Hair and Make-up:

- Makeup should be pretty natural colors with bolder lipstick. Please use mascara and eyeliner for older dancers, optional for younger. Show makeup should be applied heavier since the stage lights make dancers look pale and washed out.

For performance hair, please make sure to use plenty of hairspray or gel (if needed). For ballet or any buns you must use hair nets.

Backstage & Dressing Rooms

- **No friends or guests will be allowed in the dressing rooms or backstage on the day of the performance, mothers or older sisters only.**
- Please Bring a dance bag with your finale costume so your dancer can change and put their costume away.
- **ABSOLUTELY NO FOOD OR DRINK** should be brought to the show. We will have concessions. Dancers should not eat or drink in costume.

While in the dressing room we provide a movie, coloring sheets and crayons. Please do not allow your child to bring any additional items with them backstage. Things can get lost and we cannot be responsible.

FINALE

All dancers will be participating in the finale onstage. For the Finale all dancers will wear their recital T-shirt with any black bottoms. This can be shorts, capris, skirt, pants, hot pants, dance pants, anything! No shoes or socks. T-shirts will be given out at the staging rehearsal. All dancers will receive a complimentary t-shirt as part of your yearly registration.

Parents can come to the stage at the end of the show to get their dancer. Don't forget your dance bag in the dressing room.
